To whom it may concern:

This letter is written to confirm that Lilit Grigoryan (tax ID code 010416162, address: apt 79, 6 Orbeli str, Yerevan, Armenia) is collaborating with Codemotion LLC as an Independent Contractor since 24th of May, 2022, according to the Services Agreement #248/2405 - UI/UX Designer.

We highly recommend Lilit Grigoryan as a UI/UX Designer. Lilit has consistently demonstrated her exceptional skills and experience in the field.

Lilit has an excellent understanding of user-centered design principles, and has the ability to turn complex requirements into intuitive and visually appealing designs. She is well-versed in industry standard design tools such as Sketch, Adobe XD, InVision and Figma, and is able to create wireframes, prototypes, and high-fidelity mockups with ease.

She is also a strong communicator, able to effectively collaborate with cross-functional teams and stakeholders to ensure that the final product meets the user's needs and business objectives. Lilit is a dedicated, hardworking and creative individual, who is able to work under tight deadlines and deliver high-quality results. She is also a true team player who always manages to stimulate brainstorming and problem-solving discussions aiming to achieve the best company results.

We highly recommend Lilit for any UI/UX design role and assure that she will be an asset to any company she joins.

We are issuing this letter on the specfic request of Lilit Grigoryan.

Respectfully Yours,

CEO at Codemotion LLC

To whom it may concern:

I am writing this letter on behalf of Lilit who worked as a UX/UI Trainer for beginners at BDG LLC for the past three years. During this time, Lilit has been an invaluable member of our team and has made a significant impact on the success of our training programs.

Lilit has extensive experience in UX/UI design and has a deep understanding of the latest industry trends and tools. Lilit has demonstrated exceptional teaching skills and has been able to effectively communicatecomplex design concepts to beginners in a way that is engaging and easy to understand. Lilit has also created and implemented a successful individual course, which has received positive feedback from students and has helped them achieve their goals in the field of UX/UI design.

Lilit is a dedicated and hard-working professional who consistently goes above and beyond in delivering high-quality training programs. Lilit is a great team player and has a positive attitude that has helped createa productive and supportive learning environment.

I have no doubt that Lilit would be an asset to any organization in the field of UX/UI design. I highly recommend Lilit for any future opportunities and believe that Lilit has the skills, experience, and passionto excel in any role.

If you have any further questions, please do not hesitate to contact me.

Sincerely,

CEO at "Fortuna Business School" LLC

Dear Lilit,

It is hard to find a person who understands the needs of the project from half of a word. This is all about Lilit.
She is really a professional in her job. I guess the UI/UX is her passion, and when you like what you are doing, it is the
best way to reach the maximal result. Lilit made a full redesign of our project in a tough deadlines and in a way that
we couldn't even imagine.

To keep it short, if you need someone to help, save your UI/UX, till now I don't know anyone better than Lilit.

Thanks again Lilit jan !!

Yours Sincerely,

Aghasi Grigoryan
